

Program Effectiveness Reports

Neurodiagnostic Technology Program (B.S. + A.S.) and EKG Certification (NDT + Biology Students)

University of Holy Cross Department of Health Sciences

Academic Year Cohort Accepted	# of students in NDT Clinical cohort (B.S. + A.S.)	Graduation Rate *	Positive Placement **	Passage Rate on NHA ⁺ EKG certification exam Line 1: # NDT students Line 2: # Biology students	Passage Rate on ABRET EEG certification exam ***
2016 - 2017	10	100%	100%	10/10 = 100%	7/7 = 100%
2017 - 2018	6	100%	100%	6/6 = 100% 5/5 = 100%	5/5 = 100%
2018 - 2019	3	100%	100%	3/3 = 100% 1/1 = 100%	1/1 = 100%
2019 - 2020	9	100%	100%	9/9 = 100% 2/2 = 100%	3/3 = 100%
2020 - 2021	5	100%	100%	5/5 = 100%	1/1 = 100%
2021 - 2022	4	100%	100%	4/4 = 100% 1/1 = 100%	1/1 = 100%
2022 - 2023	6	In progress	In progress	5/6 = 83.3% 1/1 = 100%	
2023 - 2024	5	In progress	In progress	5/5 = 100% 1/1 = 100%	

+ National Healthcareer Association (NHA)

*Committee on Accreditation of Allied Health Education Programs (CAAHEP) CoA-NDT Goal is 70%. Graduation rate is defined as the % of students in a cohort group that graduates within 150% of the program's clinical component

**Defined by CAAHEP CoA-NDT as job offer/ employment within 6 months of graduation or acceptance into educational program for continuation of studies. Goal set at 75%

***# students passing/ # students attempting the American Board of Registration of Electroencephalographic and Evoked Potential Technologists (ABRET) EEG certification exam. CAAHEP CoA-NDT goal is 60% within 3 years.
