

Bachelor of Arts in **LIBERAL ARTS**

Explore what it means to be human.

The broad purpose of the program in Liberal Arts is to provide a firm foundation upon which to gain understanding and appreciation of mankind's accomplishments in the arts, sciences, and humanities.

Create an interdisciplinary curriculum that fits your interests! Choose from two of the following concentrations (21 hours):

- Art
- Biology
- Business
- Education (*Elementary or Secondary*)
- English
- History
- Philosophy
- Psychology
- Theology

As the classic canon of knowledge for centuries, the liberal arts have evolved to become a study of humanity that never loses its relevance.

Graduates with a Bachelor of Arts degree in Liberal Arts will gain knowledge and appreciation of the artistic, political, historical, social, economic, and broad cultural experiences of peoples from prehistoric times to the modern era.
