

Please see below example consent statements. Please note this should be at the beginning of your survey, and participants should give consent prior to accessing the survey.

Research Survey: *(Title)*

Dear Participant, thank you so much for your interest to participate in my research project. Please, read the information below to ensure your understanding of your rights and what your agreement involves. I welcome your questions and feedback should you have them.

I volunteer to participate in a research project conducted by (Student's Name), a doctoral candidate from University of Holy Cross. I understand that this study is designed to gather information about my experiences as a *(Title)*.

My participation in this research study is voluntary. I understand that I will not be compensated for my involvement. I may withdraw and discontinue participation at any time without consequence. I understand that this is an anonymous survey.

This survey should take you approximately *(About of Time)* to complete using Qualtrics, an online survey system, and will ask questions related to (_____).

I have the right to decline to answer any question or end the survey at any time. If I experience distress, I understand that I have access to The Thomas E. Chambers Counseling and Training Center, at the University of Holy Cross Campus in New Orleans, LA at (504)398-2168. If I am not local to New Orleans, LA. I understand that I will be provided with a 24/7 hotline number to call from wherever I am, including the national #988. For any questions or concerns, please contact me at *(Student's Email Address)*

This research study has been reviewed and approved by the Human Subjects Protection Review Committee Board at University of Holy Cross. The Human Subjects Protection Review Committee Board may be contacted through the Co-Chair, Dr. Michaela Hartline at mhartline@uhcno.edu or 504.398.2233 should you have questions or feedback.
