

Human Subjects Protection Review Committee

Project Description -- Qualitative

NAME: _____

TITLE OF PROJECT: _____

I. Description of the Project:

a. Purpose:

Include a purpose statement here

b. Number and description of participants.

Include number and description here. State how you will find participants.

c. Procedure:

If interviews are conducted, include interview outline.

II. Protections

a. Privacy:

How will you make sure that you respect the privacy of the participants?

b. Informed Consent:

What will you tell participants beforehand about the research?

c. Risks/Unforeseen Consequences/Protections

Include any risks and how you will handle the situation if this happens. For example, if you upset someone, will you refer them to the counseling center, the counselor on site, or somewhere else?

d. Benefits

Include benefits to respondents for participating in this study. Extra credit is optional, and not sufficient. For example, might they think more about some important topic if they answer the questions?

Researcher Signature

Date

NOTE: Save using your name and date, such as Jane Doe HSPRC App month.day.year

Please also include the following with your application:

Consent Forms

Interview Questions

DUE: Monday 6:00 p.m. before the Wednesday noon meeting

I have read and agree that the above application should be submitted to HSPRC for their approval.

Dissertation Chair Signature
