

OUR MISSION:

- To provide quality counseling services at no cost for everyone, including members of the UHC community and the public
- To meet local societal needs through the provision of a counseling center as a community resource
- To ensure that UHC master's and doctoral level students in the counseling program have optimum opportunities for on-the-job training in addressing the concerns of a clinically and culturally diverse population
- To provide counseling services to individuals and families with limited economic resources

Community Outreach:

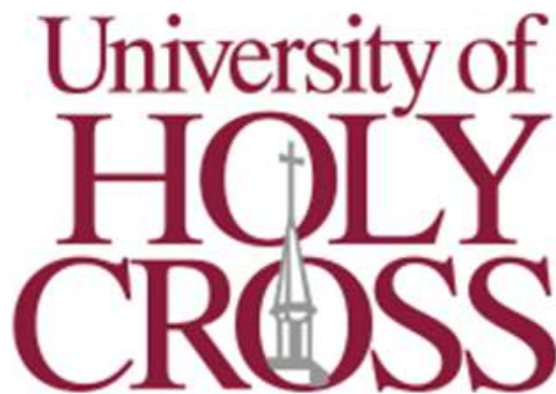

The Thomas E. Chambers Counseling and Training Center provides counseling to our community during times of need. The counselors at the Thomas E. Chambers Counseling and Training Center have provided support for local schools in crisis, such as, grief and trauma counseling.

About the Director:

Dr. Geoffrey Brazda, LPC-S, NCC serves as the Clinical Director of the Thomas E. Chambers Counseling and Training Center. Dr. Brazda serves as a Full-Time Faculty Member at UHC.

Student Interns:

Counselors are students working on the clinical component of their Master's degree in Counseling and post Master interns working to be Licensed Professional Counselors (LPC) or Licensed Marriage and Family Therapists (LMFT). LPC board approved supervisors supervise student interns.

About the Center:

The Thomas E. Chambers Counseling and Training Center operates online via Zoom.

Providing not only counseling services for the UHC community and the public at large, it also serves as an educational resource for students pursuing both doctoral, and master's degrees in counseling.

Call the Counseling and Training Center at (504) 398-2168 to schedule an appointment.

Appointments are scheduled on the hour and are held virtually via Zoom.

History:

The University was founded in 1916 as Our Lady of Holy Cross College, a Ministry of the Marianites of Holy Cross, and was created to educate and prepare teachers for work in the many schools the Marianites were opening across South Louisiana. The University's continued unwavering connection to the beliefs of the Marianite Sisters and its roots in educating those who would eventually teach others are both part of the foundation that makes the UHC experience so special.
