

Not Filing FAFSA Acknowledgement Form

Dear Student,

You have indicated that an Alternative Loan is all that you want for the upcoming semesters. University of Holy Cross encourages you to first apply for any Federal money that you are eligible for via the Free Application for Federal Student Aid (FAFSA). The interest rate on Private Loans may be higher compared to the Federal Loans.

If you only want an Alternative Loan and do not plan to complete the 2023-2024 FAFSA, please sign below and return to the Financial Aid office.
