The JRCERT defines job placement as the number of graduates employed in the radiologic sciences within 12 months of graduation compared to the number of graduates actively seeking employment in the radiologic sciences. The JRCERT has defined not actively seeking employment as: 1) graduate fails to communicate with program officials regarding employment status after multiple attempts, 2) graduate is unwilling to seek employment that requires relocation, 3) graduate is unwilling to accept employment due to salary or hours, 4) graduate is on active military duty, and/or 5) graduate is continuing education.

*Note: The program did not have a graduating class in 2022 due to not accepting new students in fall 2020 because of the COVID-19 pandemic.
